

Book Cheryl Camarillo as a Speaker

Overall, plain and simple – I like working with people. Sometimes, the human spirit can seem broken. But, when you can provide support, information, new skills and different perspectives to problems, people start to see their strength. Resiliency comes out of struggles and I value people.

Areas of Expertise

Delving into the complex and sensitive area of relationship dynamics, particularly regarding sexual addiction, betrayal, and the ripple effects on partners and families. A few of the specialty topic areas:
